President's Corner

April marks the end of the busy "tax season" – but that isn't how I look at it. When I think April, I think "FUN EVENT"! The fun event is in the works so keep an eye on your emails for more information. I hope to see you all out for the fun event. It is a great opportunity to invite a friend to learn about Accounting & Financial Women's Alliance and get to know some of our awesome members. This month is also a great opportunity to send out an invite for the fundraiser "Putting for Paula". Get together with 3 of your closest friends and form a team! I hope to see you all out on the golf course. If golfing isn't your thing, consider volunteering your time to help with registration, raffles, etc. We could use all the help we can get. This is also a great way to get your business contacts involved – so forward on the flyer that is included in this newsletter and help spread the word.

Have you heard about the Southwest Regional Conference in Denver? If not, check out the flyer – it is at the end of May and is sure to be a great time in an amazing city! There are a couple of our members going so you wouldn't be alone. It is also a great time to catch up with other chapters in our region and share ideas for the upcoming "new year". Please feel free to let me know if you haven't any questions – I'd be happy to answer them. If going out of town for conference isn't possible, be on the lookout for our yearly conference the chapter hosts. If you would like to get involved, please contact Laura Mangan and ask what you can do to help. We are working on the planning for this event and Laura could always use more hands on deck to help make sure the conference runs smoothly this summer.

See you all at the fun event later this month!
